

Travel to the Future

In Patience Agbabi's story, **The Infinite**, Elle is a Leapling, a child born on the 29th February.

Elle is particularly special because she also has The Gift, the ability to leap through time.

In the story Elle goes on a school trip to the Time Squad Centre in the year 2048!

Imagine that you are also a Leapling and can jump to the future, just like Elle.

- How far have you jumped?
- What year have you reached?
- How has life changed?

Draw a plan or a picture of your street or your town in the future. Show what has changed since 2026.

Extra Challenge: Tell or write the story of your adventures in the future.
